OF THE YEAR**

Bob, Jr., Becky and Edna Harrell presented the award by past BIF President Tommy Brown, AL, and BEEF magazine Sr. Editor Burt Rutherford ... 41st BIF Annual Symposium and Meeting, Sacramento, CA, May 2009

"Congratulations on being named top seedstock producer in the nation. What an honor for you and Baker County. From my career working with ranchers in ag finance, I have seen the difference your genetics have made in herds that purchased your bulls ... the added economic value to Baker County is definitely there. ... Thank you for all you do ... and for your leadership to local and state cattlemen's associations."

Welcome to our 31st Annual Spring Bull Roundup...

We are proud to present this year's offering of Hereford cattle and Quarter Horses that bear our brands as a trademark of performance, quality and proven genetics.

This past spring, Harrell Hereford Ranch was honored with the BIF Seedstock Producer of the Year. It was very gratifying and humbling to receive this award for our operation. We have always felt that it was important to work hard for our customers to help take advantage of every genetic, breeding, and marketing opportunity that benefits them now and in years to come. We believe this recognition from the BIF validates our efforts to improve the bottom line for all of our customers. In addition, Northwest Premium Genetic Rancher/Partners are doing what it takes to improve the quality and consistency of their product, which adds value for themselves, the feedlot, and the packer, with the ultimate goal of providing a superior eating experience for the consumer.

Maximizing heterosis in your commercial cowherd with a Hereford bull is probably one of the most economically beneficial decisions that you will make this year. In addition to fertility and longevity, there is tremendous savings in feeding and breeding efficient Hereford and Hereford cross cattle. Time after time, the data has supported the reasons for crossbreeding. On March 1st, we will be offering large, uniform sire groups of trait-balanced bulls that have optimum total breeding value for maternal, calving ease, growth, and carcass traits.

As always, please join the Harrell, Thomas, and Mackenzie families for our big, 3-day Western Ranchers Event. It begins Sunday, Feb. 28th at the Mackenzie Ranch Headquarters with our Harrell-Mackenzie Quarter Horse Preview, our 31st annual Spring Bull Roundup held at Harrell Hereford Ranch on Monday, March 1st, and concluding on Tuesday, March 2nd with the Thomas Angus Ranch Annual Spring Bull Sale.

We extend a special invitation for "The Cowboy Gathering" on Monday evening, 6:30 p.m. following our sale. Join us at the Geiser Grand Hotel for an evening of western fellowship with fellow cattlemen and industry leaders hosted by Harrell Hereford Ranch, Thomas Angus Ranch, and Pfizer Animal Health.

Plan on three big days of good cattle, good horses and good western hospitality. Please call with questions and we'll look forward to seeing you on sale day!

IRONSIDE ASSOCIATES, Ironside, OR... A NORTHWEST PREMIUM GENETIC PARTNER

Jeff and Edie Palmer, mgrs.

"We have used Thomas Angus and Harrell Hereford bulls over the years ...and retain our calves through harvest, so it was only natural to participate in the Genetic Partnership Program. 65% of our bull battery is Thomas and Harrell bulls with their genetics forming the core of our cowherd. As that percentage increased, so has our overall performance from calf crop percent to grid performance. All information gathered has been a great tool for making performance comparisons and to justify our investment and choice of genetics.

Thomas Angus and Harrell Herefords have been a major influence in the success of our cattle performance."

From cowherd to carcass and marketing the end product, the NWPG Partnership with Harrell Herefords, Thomas Angus and Beef Northwest pays dividends!

Low 25%	Low Value	-19.4	14.2	-31	-30	-8	-5

Use this EPD Percentile Chart to compare Harrell bulls with the entire Hereford breed's 2008 and 2009 North American calf crop. Listed are trait breed averages, the extreme range from top to bottom and the top, middle and bottom breed groups.

HARRELL HEREFORD RANCH RETAINS A FULL 1/4 SEMEN INTEREST IN EVERY SALE BULL...

Buyer will take full possession and retain full salvage value in the bull. Bulls collected for A.I. use will be done in the off season at the buyer's convenience with expense paid by Harrell Hereford Ranch. Call Bob Harrell 541/523-4322 for more information.

**All registered sale cattle are tested PI-BVD negative,
IE and Diluter Free.**

H5 CARCASS RANKING SYSTEM

American Hereford Association Carcass EPDs are based upon several thousand ultrasound measurements. The **H5 Carcass EPD Ranking System** simplifies evaluation for Backfat, Ribeye Area and Intramuscular Fat (marbling) traits.

Breed Percentile		Backfat	Ribeye	IMF
★★★★	Top Value	-.105	1.05	.72
	25%	-.009	.31	.09
★★★	50%	.001	.20	.02
	75%	.013	.10	-.02
★	Low Value	.147	-.85	-.38

★★★★ **Breed Leader ...top 25%**
Great genetic improvement.

★★★ **Excellent ...second 25%**
Good genetic improvement.

★★ **Good ...third 25%**
Average for all ultrasound Hereford cattle which represents the upper portion of the breed. Modest genetic improvement.

★ **Acceptable**
Herefords that still rank above average of the U.S. beef cattle population for carcass value.

Look to high accuracy sire progeny groups using Carcass EPDs and our Ranking System as a selection tool. Place priority on traits that will impact the economics of your program.

HEREFORD BULLS

AMERICA'S #1 CROSSBREEDING SIRE

...THE BEST BET ON YOUR BLACK COWS!

BULL POWER

Cow country's best range bull! To cover the country, get cows bred, sire a uniform calf crop and more lbs. to wean ...there's none better!

BASIC HEREFORD ON BLACK

It's proven, it's basic ...it's the ranchers' best heifer and the feeders' best steer!

MARKET ACCEPTANCE

Baldie steers and heifers ...market premiums for predictable performance, quality and "kind."

FEEDLOT AND CARCASS

Bald-faced crossbreds ...high performance, efficient, quality, red meat cattle ...the most predictable, profitable steer! And, he qualifies for Certified Hereford and Angus Beef, both!

COWHERD EFFICIENCY

Hereford, Black Baldie, Red Baldie ...range country's most efficient, productive survivor!

TERMS & CONDITIONS: Terms of the sale are check or cash. Every animal will be sold to the highest bidder with the auctioneer settling bidding disputes. Announced catalog changes sale day take precedence over printed catalog material. All cattle/horses are the buyer's property as soon as sold and will be cared for a reasonable length of time at the buyer's risk. Any person attending the sale does so at his own risk. Neither the Sale Management, owners nor any person connected with this sale, assumes any liability, legal or otherwise.

GUARANTEE: All sale cattle/horses are, to the best of our knowledge, free of any disease or defect. Any known defects will be called at sale time. All cattle are guaranteed breeders. If an animal fails to breed after a trial of six months, it may be returned to the seller if in good condition and in compliance with Oregon health regulations. The seller reserves the right to try said animal for 90 days, and if it proves a breeder, return it to the buyer at the buyer's expense. If the animal proves to be a non-breeder, an animal of comparable rank will be substituted or the purchase price will be credited toward purchase of an animal in the next sale. No adjustments will be made after nine months after sale day. We assume no liability, legal or otherwise, to make any further compensation to the buyer. No other warranty of any nature is expressed or implied.

Broodmares sell "safe in foal" with no further guarantee.

DELIVERY: Free delivery on all bulls to central points in the continental U.S. Delivery is provided to central points in Oregon, Washington, Idaho and surrounding states on registered female purchases of \$3,000 or more. Commercial females and all other registered females will be delivered at cost.

BULL BUYER OPTIONS...1) \$50/head rebate on all bulls loaded out by buyer on sale day; 2) One month free feeding for bulls. Bulls must be picked up by buyer no later than April 1st. Insurance will be required on any bulls left for feeding at Harrell Hereford Ranch.

HORSE BUYERS are responsible for their own transportation. Insurance will be required on any horse left for pick up after sale day.

HEALTH: Herd health is excellent. Individual health papers will be provided for shipment anywhere. All cattle will be Tuberculosis and Brucellosis tested prior to the sale. Females are officially calfhood Bangs vaccinated. Oregon is a certified Brucellosis free state.

REGISTRATION & TRANSFER: Registration certificates will be transferred to buyers upon request at seller's expense. At settlement, buyers must give complete name and address information for transfer. Horse buyers will be charged transfer fees.

INSURANCE: Arrange insurance through Harding and Harding Livestock Insurance. The clerk can assist with your insurance needs.

Elliots Smokin Star is an athletic, medium-sized, all-around, three-year-old gelding that's bred to be a cowhorse. A grandson of Gray's Starlight (\$11.4 million NRCHA, NCHA, NRHA progeny earnings), this Star Like Freckles colt is gentle and started well under saddle, shows a lot of life, wants to go and is starting to "lock-on" and really watches a cow. He has the right size, attitude and cow savvy to perform as a versatile rancher, a cowhorse and a rodeo heeler. Stacking NCHA Hall of Famer Peppy San Badger, Doc Bar and Jewel's Leo Bars in his pedigree with maternal grandsire Taris Pistol warrant his bred-in ability to excel.

"Macy" is presented as a feature filly possessing the talent and quality to be a superb asset to any horseman's performance horse string or broodmare program. A Billy Red Baron out of a Pitzer-branded mare, she is straight Pitzer, linebred four times Two Eyed Jack and exhibits the model Quarter Horse conformation, good mind and versatile ability that are trademarks of that renowned Nebraska program. Breeders will appreciate her looks, balance, substance and large hip ...ranchers and competitors will like her good movement, smooth lope, soft handle and quiet, willing mind. A full sister to Becky Harrell's #1 mount Major, "Macy" is a valuable, franchise filly that represents the best of our program!

Welcome to our 31st Annual Spring Bull Roundup...

We are proud to present this year's offering of Hereford cattle and Quarter Horses that bear our brands as a trademark of performance, quality and proven genetics.

This past spring, Harrell Hereford Ranch was honored with the BIF Seedstock Producer of the Year. It was very gratifying and humbling to receive this award for our operation. We have always felt that it was important to work hard for our customers to help take advantage of every genetic, breeding, and marketing opportunity that benefits them now and in years to come. We believe this recognition from the BIF validates our efforts to improve the bottom line for all of our customers. In addition, Northwest Premium Genetic Rancher/Partners are doing what it takes to improve the quality and consistency of their product, which adds value for themselves, the feedlot, and the packer, with the ultimate goal of providing a superior eating experience for the consumer.

Maximizing heterosis in your commercial cowherd with a Hereford bull is probably one of the most economically beneficial decisions that you will make this year. In addition to fertility and longevity, there is tremendous savings in feeding and breeding efficient Hereford and Hereford cross cattle. Time after time, the data has supported the reasons for crossbreeding. On March 1st, we will be offering large, uniform sire groups of trait-balanced bulls that have optimum total breeding value for maternal, calving ease, growth, and carcass traits.

As always, please join the Harrell, Thomas, and Mackenzie families for our big, 3-day Western Ranchers Event. It begins Sunday, Feb. 28th at the Mackenzie Ranch Headquarters with our Harrell-Mackenzie Quarter Horse Preview, our 31st annual Spring Bull Roundup held at Harrell Hereford Ranch on Monday, March 1st, and concluding on Tuesday, March 2nd with the Thomas Angus Ranch Annual Spring Bull Sale.

We extend a special invitation for "The Cowboy Gathering" on Monday evening, 6:30 p.m. following our sale. Join us at the Geiser Grand Hotel for an evening of western fellowship with fellow cattlemen and industry leaders hosted by Harrell Hereford Ranch, Thomas Angus Ranch, and Pfizer Animal Health.

Plan on three big days of good cattle, good horses and good western hospitality. Please call with questions and we'll look forward to seeing you on sale day!

IRONSIDE ASSOCIATES, Ironside, OR... A NORTHWEST PREMIUM GENETIC PARTNER

Jeff and Edie Palmer, mgrs.

"We have used Thomas Angus and Harrell Hereford bulls over the years ...and retain our calves through harvest, so it was only natural to participate in the Genetic Partnership Program. 65% of our bull battery is Thomas and Harrell bulls with their genetics forming the core of our cowherd. As that percentage increased, so has our overall performance from calf crop percent to grid performance. All information gathered has been a great tool for making performance comparisons and to justify our investment and choice of genetics.

Thomas Angus and Harrell Herefords have been a major influence in the success of our cattle performance."

From cowherd to carcass and marketing the end product, the NWPG Partnership with Harrell Herefords, Thomas Angus and Beef Northwest pays dividends!
