## WELCOME TO HARRELL HEREFORD RANCH...

Welcome to our 29th Annual Spring Bull Roundup. We are proud to present this offering of Hereford cattle and Quarter Horses that bear our brands as a trademark of performance, quality and proven genetics.

Driven by the bottom line economics of the commercial beef cattle industry, our business is rancher herd bulls ...breeding predictable, superior genetics that build problem-free cowherds, sire efficient performance cattle and produce more carcass value.

The cowherd has long been our program strength. Productive mother cows are the real warranty behind the bulls we sell. Our herd bull battery represents one of Hereford's most unique lineups of "curve bender," trait balanced, high accuracy sires, that will add more value to your calf crop. On March 3rd, we will be offering large, uniform sire groups of bulls that have real total breeding value for maternal, growth and carcass traits.

As always, please join the Harrell, Thomas, and Mackenzie families for our big, 3-day Western Ranchers Event. It begins Sunday, March 2nd at the Mackenzie Ranch Headquarters with our Harrell-Mackenzie Quarter Horse Preview, our 29th annual Spring Bull Roundup held at Harrell Hereford Ranch on Monday, March 3rd, and concluding on Tuesday, March 4th with the Thomas Angus Ranch Annual Spring Bull Sale.

We extend a special invitation for "The Cowboy Gathering" on Monday evening, 6:30 p.m. following our sale. Join us at the Geiser Grand Hotel for an evening of western fellowship with fellow cattlemen and industry leaders hosted by Harrell Hereford Ranch, Thomas Angus Ranch, and Pfizer Animal Health.

Plan on three big days of good cattle, good horses and good western hospitality. Please call with questions and we'll look forward to seeing you there!
