## Welcome to our 33rd Annual Spring Bull Roundup!

We are proud to present this year's offering of Hereford cattle and Quarter Horses that bear our brands as a trademark of performance, quality and proven genetics.

What a time to be in the cattle business! Cattle markets are as good as they have ever been and everyone is optimistic about the markets and the future of the cattle industry. Now is the time to position ourselves for the future by investing in superior genetics. We feel this year's offering is exactly where we need to be for those progressive producers concerned with their bottom line.

Maximizing heterosis in your commercial cowherd with a Hereford bull is probably one of the most economically beneficial decisions that you will make this year. Developing and maintaining a crossbreeding system which captures maternal heterosis is critical to long-term profitability in the commercial cow-calf business. Our cowherd has long been our program's strength ...productive mother cows are the real warranty behind the bulls we sell. Ours is a "no-nonsense" approach to breeding predictable, practical cattle. For two decades, we have been using our own genetics in our commercial cowherd running in a typical, high-desert environment. This gives us a "real world view" of what type of Hereford cattle are needed to be profitable in the commercial segment. Our priority is problem-free, fertile, good-doing cattle with the ability to travel and put on pounds in a range environment. We then retain ownership of the progeny in a branded beef program where carcass and quality matter. This balanced approach to multiple trait selection is the real key to success and profitability in today's commercial sector.

As always, please join the Harrell, Thomas, and Mackenzie families for our big, 3-day Western Ranchers Event. It begins Sunday, March 4th at the Mackenzie Ranch Headquarters with our Harrell-Mackenzie Quarter Horse Preview, followed by our 33rd annual Spring Bull Roundup held at Harrell Hereford Ranch on Monday, March 5th, concluding on Tuesday, March 6th with the Thomas Angus Ranch Annual Spring Bull Sale.

We extend a special invitation for "The Cowboy Gathering" on Monday evening, 6:00 p.m. following our sale. Join us at the Geiser Grand Hotel for an evening of western fellowship with fellow cattlemen and industry leaders hosted by Harrell Hereford Ranch, Thomas Angus Ranch, and Pfizer Animal Health.

Plan on three big days of good cattle, good horses, and good western hospitality. Please call with questions and we'll look forward to seeing you on sale day!
