Dad, Bob Harrell, Sr., and Bobby ...Sale Day 2016!

(L to R): Bob, Becky & Lexie Harrell, Edna Harrell, Wannie & Beth Mackenzie, Duncan & Maggie

WELCOME TO OUR 41ST ANNUAL SPRING BULL ROUNDUP!

It is our sincere pleasure to welcome customers, friends and fellow cattlemen to our 41st Spring Bull Roundup. Looking ahead to this sale, the statement that captures our breeding philosophy of producing cattle that work for all segments of the beef industry...that's been the foundation of the H5 brand for decades is: **"From Cowherd to Carcass ...we test them all the way!"**

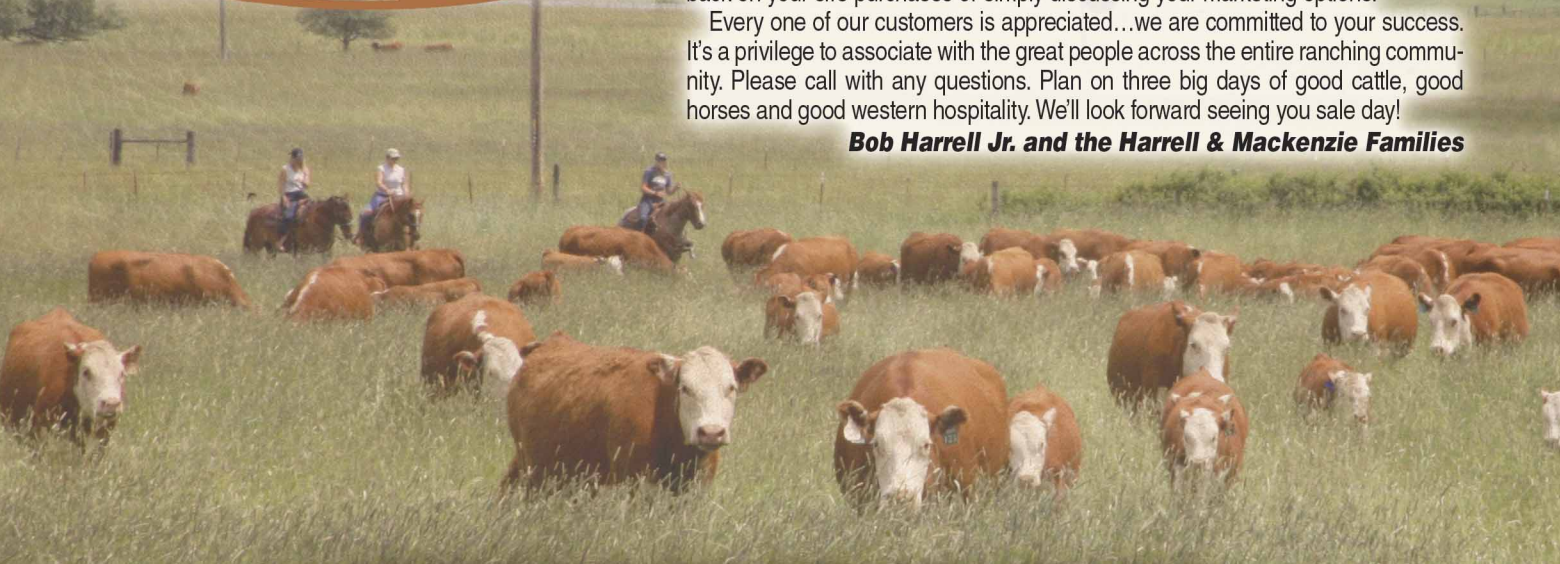

We take the business of breeding superior seedstock very seriously. H5 genetics must be profitable for the commercial rancher and registered breeder, the feedlot, the beef packer...and ultimately must provide a superior eating experience for the consumer. Profitability for our customers starts with our first emphasis upon a strong maternal, practical, fault-free cowherd ...the "front pasture" kind that we're proud to have our brand on.

We have retained feedlot ownership of our commercial herd calves for 22 years marketing through two branded beef programs. Experiencing the value of carcass merit, we have stacked those traits for more than three cowherd generations. The predictable, consistent value of that effort is now being realized with closeout/harvest data for feed efficiency, gain, carcass size, ribeye and marbling. Having anticipated the packing industry's emphasis upon USDA Choice and Prime beef, our genetics are now very well positioned for quality grade. It's proven...regardless of hide color, quality delivers premiums! Over the years, many HHR bull customers have retained ownership to capitalize on H5 bred-in feedlot and end-product merit.

This 2020 offering is powerful for genetics that can move your operation forward! The quality is deep from end to end with one of the most uniform, consistent sets of H5 bulls and heifers ever produced. These cattle are backed with balanced maternal/ performance/ carcass genetics and they do it with the "right look"...big, thick, good doin' bulls and feminine, deep-bodied, great uddered females. Whether you sell through video, the auction market or retain ownership, these cattle will add value from prospective buyers. Let us know how we can assist marketing your H5 influence cattle on your sale day ...contacting potential buyers, providing data to back on your sire purchases or simply discussing your marketing options.

Every one of our customers is appreciated...we are committed to your success. It's a privilege to associate with the great people across the entire ranching community. Please call with any questions. Plan on three big days of good cattle, good horses and good western hospitality. We'll look forward seeing you sale day!
